

How to Fully Fund Ministry During Social Distancing

FREE WEBINAR FOR CHURCH LEADERS

Friday, March 27 - 1:30pm CDT

Sponsored by the Missouri United Methodist Foundation

Coronavirus has certainly been disruptive, but it has also created an enormous opportunity to take the hope of the Gospel to the people and places in need in our communities. Now is the time to educate and equip your church members and regular attenders to adjust their giving patterns to ensure your church is fully resourced to meet the ever-growing needs of your community. Many churches have already significant increases in recurring giving online. That can happen for you, too!

We have invited our ministry partner, [HORIZONS STEWARDSHIP](#), to share practical ideas to help you accelerate generosity and fully fund your ministry during this time of unprecedented ministry potential. Join [Joe Park](#), CEO and Managing Partner, and [Dustin Cooper](#), SVP and Partner, as they highlight key decisions every church needs to consider, mistakes to avoid, and present action plans to help you get started.

All who register will also get the **FREE resources**: *Increasing Recurring Electronic Giving During Social Distancing*, *Speaking about Generosity when the Worship Center is Empty*, *Connecting with Your Ministry and Financial Leaders During Social Distancing* and a video recording of the webinar. **So even if you can't be present, register and you will be able to watch and share the webinar and access the resources at a time convenient for you.**

Register in advance for this webinar: [Click Here](#)

You will be invited to a 1-hour follow-up Q&A session hosted by Don Smith (SVP of Horizons) and Dustin Cooper where more discussion can be shared. The dates/times for these meetings are:

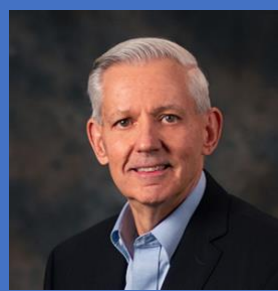

Monday, March 30 at 9:30

Monday, March 30 at 10:30

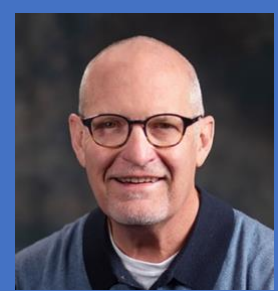

Tuesday, March 31 at 2:00
